> Hello, food lovers! Today my family and I are at the Flavour Festival in Gaziantep. It is in a big park near the castle, and it is very crowded. There are more than fifty stalls. My dad has got a map of the festival, so we can find everything easily. First, we watch a cooking show. Chef Murat makes lahmacun in a stone oven. Then there is a pistachio tasting. Pistachios from Gaziantep are famous all over the world! My little brother Can is buttering Mum up because he wants three ice creams. Mum laughs and says, “You can have one!” At four o’clock, children can join a baking workshop. I want to make my own biscuits there. See you next time! – Zeynep
