D Amazing Planet Earth

Read the notes. Are the sentences true or false? *(Notları okuyun. Cümleler doğru mu, yanlış mı?)*

> Our group is going to present “Amazing Planet Earth” at the school science fair. Here are our notes. Water covers about seventy percent of the Earth. There are five oceans, and the Pacific Ocean is the biggest. There are seven continents. Asia is the biggest continent, and Türkiye is on two continents, Asia and Europe! Some places on Earth are very hot. In the Sahara Desert, the temperature can rise to fifty degrees in summer. Other places, like Antarctica, are very cold. Many plants and animals live in coral reefs, and the Great Barrier Reef in Australia is the biggest one. At the fair, we are going to show a big world map and a model of a canyon.

1. Water covers about seventy percent of the Earth. ( )
2. The Atlantic Ocean is the biggest ocean. ( )
