> Group 4’s plans are the class favourite! They are going on a dream trip to Cappadocia. Hande is going to wake up very early and watch hundreds of hot-air balloons in the sky at sunrise. Yiğit is going to explore the underground city in Derinkuyu. It is very deep and dark! Su is going to ride a horse in the Red Valley and take photos of the amazing view. Ozan’s plan is the most fun: he is going to sleep in a cave hotel and watch the stars from the roof. The class colours the stars on their forms, and Group 4 gets five stars from almost everyone. “Let’s take a breather and look at those photos again!” says their teacher.
