1. My name is Elif and I am the new president of the drama club at our school in Mardin. We meet in the conference hall every Wednesday after school. There are fourteen members. I love acting, but I don’t like strict rules. Our teacher, Mr Harun, says, “Rules are important on the stage.” So we write our club rules together: “Don’t be late.” “You mustn’t use your phone during practice.” “Listen to your friends.” This term, we are preparing a play about a girl from the old stone houses of Mardin. My friend Berk doesn’t like acting, but he likes drawing, so he designs the posters. On 29 October, we perform the play for the whole school.
