Next month, my family and I are travelling to Seoul, South Korea! My mother is a designer and she is showing her new furniture at a big design fair there. My father is an engineer, so he is taking a week off from the factory. Our flight leaves İstanbul at 23:45 on the 3rd of March and lands in Seoul about eleven hours later. On the first day, Mum is working at the fair while Dad and I are visiting a traditional village with old wooden houses. On the second day, we are all trying Korean food at a night market. I'm a bit nervous because I can't eat spicy food! I am writing a travel diary for my English class, and I'm taking lots of photos.
