> Last Saturday was the Linden Street Festival in our neighbourhood in Eskişehir. It was sunny and the street was very crowded. Local musicians performed jazz and pop on a small platform near the bakery. My brother Baran was in the school band, so he was a bit nervous! The audience sat on the grass and clapped for every song. There were face painting tables and a skating race for children, too. My friends and I wanted to raise money for the animal shelter, so we sold homemade lemonade. At the end of the day, we were tired but very pleased. We raised 3,000 liras!
