> Last weekend, my family and I visited a world food fair in Gaziantep. There were food stalls from twelve countries! First, we tried Italian pizza and Indian curry. The curry was very spicy, so my little sister cried and asked for water. Then we watched a baklava competition. Five cooks prepared their trays in one hour, and an old chef from Gaziantep won. In the afternoon, a Japanese cook showed us how to make dumplings. I helped her and folded ten dumplings! The fair was crowded, but it was an incredible experience. Next year, I want to try Swedish desserts.
