> Dear Diary,
> Today our time machine landed in Ephesus, almost 2,000 years ago. My twin brother Can travelled with me. First, we walked along a long marble street. It was busy with merchants, soldiers and children. We stopped in front of a beautiful library and looked inside. There were thousands of scrolls! Then we visited a big market. People sold olive oil, dried figs and colourful cloth. A friendly merchant looked at Can's trainers and asked, "Where did you buy these strange shoes?" Can laughed and didn't answer. In the evening, we watched a play in the huge theatre. I was tired but happy. It was an incredible experience!

1. Who travelled with Ayşe?

2. What did they see in the library?

3. Why did Can laugh?

4. How did Ayşe feel at the end of the day? Why?
