C The Blue Lake project

Read the text and choose the correct answer. *(Metni oku, doğru cevabı seç.)*

> Two years ago, Lake Sapanca had a big problem. Visitors left plastic bottles and bags on the shore, and a few factories near the lake made the water dirty. Some fish died, and many birds left the lake. Then the students of a secondary school in Sakarya started the “Blue Lake” project. They cleaned the shore every month and put recycling bins next to the picnic tables. They also wrote a letter to the town mayor. After that, the town council made new rules: factories must clean their water, and visitors mustn’t use plastic plates. Today the water is cleaner, and the birds are back!
