A Reading: A letter about a new classmate

4 × 4 = 16 puan

Read the text and answer the questions. *(Metni okuyun ve soruları kısaca cevaplayın.)*

Dear Sophie,
We have a new student in our class this year. Her name is Hana and she is from Osaka, Japan. Her father works at a university in Eskişehir. Hana is medium height and slim. She has straight black hair and she always wears a red hair clip.
At first, she was very shy because she didn't know any Turkish. Now she is more relaxed and she speaks Turkish better than some of us! She is very hardworking: she studies new words every night. She is also kind and generous; last week she brought Japanese sweets for the whole class. I think she is easy-going, too, because she never complains.
Write soon and tell me about your new classmates!
Love,
Melis

D Reading: My first day on skis

4 × 4 = 16 puan

Read the text and answer the questions. *(Metni okuyun ve soruları kısaca cevaplayın.)*

Saturday, 16 January
Today was my first day on skis! Our school took us to Palandöken in Erzurum. The weather was freezing, but the sun was shining. Our trainer, Ms. Gül, showed us the equipment: skis, boots, a helmet and goggles. She said, “Always wear your helmet. Safety comes first.”
In the morning I fell down about ten times. My friend Yiğit laughed at me, but then he fell down too! After lunch, I tried again and I didn’t fall. Ms. Gül said I was a fast learner. Skiing is harder than football, but it is more exciting. Tomorrow we are going to have a small race. I want to beat Yiğit!
