Personality	calm, quiet	talkative, funny

1. (old)

.....

2. (talkative)

.....

3. (short)

.....

4. (calm)

.....

B Reading: Kırkpınar

4 × 4 = 16 puan

Read the text and answer the questions. *(Metni okuyun ve soruları kısaca cevaplayın.)*

Every summer, thousands of spectators travel to Edirne for the Kırkpınar Oil Wrestling Festival. People say it is one of the oldest sports competitions in the world.
Before the matches, the wrestlers cover their bodies with olive oil. This makes the sport very difficult, because it is hard to hold an oily opponent. The wrestlers wear special leather trousers called “kispet”. A match can be very long, so wrestlers train hard all year. They usually run every morning and lift weights three times a week.
The winner of the festival gets the title “başpehlivan” and a golden belt. For many young wrestlers, this is their biggest dream.

1. Where does the festival take place?

.....

2. What do the wrestlers put on their bodies?

.....

3. Why is the sport very difficult?

.....

4. What does the winner get?

.....

C Reading: Marie Curie

4 × 4 = 16 puan

Read the text and answer the questions. *(Metni okuyun ve soruları kısaca cevaplayın.)*

Marie Curie was born in Warsaw, Poland, on 7 November 1867. Her name was Maria Skłodowska. In Poland at that time, women couldn’t study at university, so in 1891 she moved to Paris and studied physics and mathematics there.
In Paris, she met Pierre Curie, a French scientist. They got married in 1895 and worked together in a small laboratory. In 1903, Marie, Pierre and another scientist won the Nobel Prize in Physics. In 1911, she won a second Nobel Prize, this time in Chemistry. She was the first person in history with two Nobel Prizes. Marie Curie died in 1934, but her work still helps doctors today.

1. Where was Marie Curie born?

.....

2. Why did she move to Paris in 1891?

.....

3. When did she marry Pierre Curie?

4. In which year did she win her second Nobel Prize?

D Writing: A day I remember

1 × 18 = 18 puan

Write a short paragraph. *(Kısa bir paragraf yazın.)*

1. Write a short report about an important day in your life (a competition, a holiday, a family event). Answer these questions: When was it? Where were you? Who was with you? What happened? How did you feel? (5–6 sentences)

E Reading: The birds of Birecik

4 × 4 = 16 puan

Read the text and answer the questions. *(Metni okuyun ve soruları kısaca cevaplayın.)*

> The northern bald ibis, or “kelaynak” in Turkish, is a large black bird with a bald red head and a long curved beak. For hundreds of years, these birds lived on the rocks of Birecik, a town in Şanlıurfa. People in Birecik loved them and celebrated their return every spring.
> In the 1950s and 1960s, farmers used strong chemicals on their fields to kill insects. The birds ate the poisoned insects, and many of them died. By the 1980s, there were very few kelaynaks left in the wild in Türkiye.
> Today there is a breeding station in Birecik. Workers feed the birds and protect their eggs. Thanks to their work, the number of birds is increasing again.

1. What does a kelaynak look like?

2. Where did these birds live for hundreds of years?

3. Why did many birds die in the 1950s and 1960s?

4. What do the workers at the breeding station do?

F Writing: A wild animal

1 × 18 = 18 puan

Write a short paragraph. *(Kısa bir paragraf yazın.)*

1. Write a paragraph about a wild animal from Türkiye or another country. Write where it lives, what it eats and why it is in danger. Make one or two suggestions with should/shouldn't. (5–6 sentences)
