1. Asya and Batu have been best friends since the first grade. They are both members of the school robotics club in Kayseri, and they share everything. One day, Asya told Batu a secret: she wanted to join a national robotics competition, but she was afraid of failing, so she didn't want anyone to know. Two days later, everyone in the class was talking about it. Asya was really hurt. She thought Batu was a backbiter, and she didn't speak to him for a whole week. Batu was sad, but he didn't give up. He found out the truth: a classmate was sitting behind them in the library and heard their conversation. Batu explained everything, and Asya felt terrible. "I'm so sorry I didn't trust you," she said. Batu smiled. "Never mind. True friends always make up." Now they are working on their robot together for the competition.
