C The school sports day

5 × 5 = 25 puan

Read the text. Write T (true) or F (false). *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

> Every year in May, our school has a sports day. It happens only once a year, so everybody is excited. All the races take place outdoors on the school field. There are running races, a sack race and a tug of war between the classes. Ayten from 7-C is the fastest runner in the school; she usually wins the 100-metre race. Students don't need to bring any equipment because the PE teachers prepare everything. Parents and grandparents come as spectators, and the 8th graders sell ayran and simit to raise money for the school library.

1. The sports day happens once a year. ( )
2. The races take place in the sports hall. ( )
3. Ayten usually wins the running race. ( )
