C The clean-up day

5 × 5 = 25 puan

Read the text. Write T (true) or F (false). *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

> Last April, our English club organized a clean-up day at the beach in Sinop. More than sixty people came: students, teachers, parents and even some tourists. Volunteers didn't have to bring anything, because the municipality gave everyone gloves and big bags. First, we divided the beach into five parts. Then, every group cleaned one part. After three hours, we had forty-two bags of rubbish! Most of it was plastic: bottles, bags and bottle tops. We also found a shoe, a broken chair and an old TV! Everyone was tired but happy. We are planning another clean-up day in September.

1. The clean-up day was in autumn. ( )

2. More than sixty people came. ( )

3. Volunteers had to bring their own gloves. ( )

4. Plastic was the most common rubbish. ( )

5. The group will clean the beach again. ( )
