Berk is fifteen and he lives in Samsun. His school starts at 8.20, so he always gets up at 7 o’clock. He rarely has a big breakfast because he isn’t hungry in the mornings. After school, he goes to the basketball court with his teammates three times a week. On the other days, he takes a guitar course. He would rather play basketball than study, but he knows the LGS is important, so he studies for two hours every evening. At weekends, Berk prefers spending time outdoors to playing video games. He sometimes goes fishing with his uncle at the harbour. He thinks fishing is boring for most teenagers, but for him, it’s relaxing. He seldom watches TV; he prefers watching basketball videos online.
