Read the text. Are the sentences true or false? *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

Hi Doruk,
Greetings from Köprülü Kanyon! Our summer camp is amazing. Every morning we choose an activity. Yesterday some kids went rafting, but I preferred canoeing to rafting because I wanted to paddle on my own. The water was cold, but it was really entertaining. Tomorrow we have two choices: caving or rock climbing. Honestly, I'd rather go caving than climbing. I'm not keen on heights, and the instructor says the cave has some beautiful stalactites. My tent-mate Kaya is the opposite. He takes risks all the time and he can't wait to climb the big rock. On our last day, everyone is going to try zip-lining over the river. I'm a bit nervous, but I won't miss it!
See you next week,
Alp
