> DUYGU'S TRAVEL CORNER
> Hi! I'm Duygu, I'm fourteen and I live in Samsun. I'm crazy about travelling. So far I have visited four countries: Greece, Bulgaria, Georgia and Italy. Last October my family and I went to Tbilisi in Georgia. We walked in the old town, ate khachapuri and took a cable car up to an old castle. It was incredible! I have also been to many cities in Türkiye, like Mardin, Konya and İzmir. Mardin is my favourite place. In my opinion, its stone architecture is more fascinating than modern buildings in big cities. I have never been to an Asian country outside Türkiye, but I dream of visiting Japan one day. I want to see the cherry blossoms. What about you? Have you ever been abroad? Write in the comments!
