D Getting ready for the science fair

Read the text. Are the sentences true or false? *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

> TÜBİTAK SCIENCE FAIR — A busy week at Gazi Ortaokulu
> The school science fair is next Friday, and everyone is working hard. In the biology lab, Elif and Barış are observing tiny cells under a microscope. They are preparing a poster about how plants make food. Next door, Mehmet’s team is building a small robot that can water plants. “The robot is working now, but it is very slow,” Mehmet says. “We are trying to make it faster.”
> In the library, a group of students are doing research on vaccinations. They are reading articles and writing notes for their presentation. Our science teacher, Mrs Şahin, is helping every group, and she is checking safety rules too. All students have to wear safety goggles when they do experiments.
> The fair is open to parents, so don’t forget to come and see the results!

1. Elif and Barış are using a microscope. ( )

2. Mehmet’s robot is very fast. ( )

3. Some students are doing research in the library. ( )
