Last month, our nature club went on an adventure trip to Köprülü Canyon in Antalya. On the first day, we went rafting on the river. The water was cold, but it was great fun! In the evening, we camped near the forest. Our teacher told us, “We mustn’t leave any rubbish here. We have to protect nature.” The next morning, we found plastic bottles near the river, so we picked them up and took them to a recycling bin. Then we planted ten small trees. It was hard work, but we felt proud.
