C A night at the observatory

Read the text. Are the sentences true or false? *(Metni oku. Cümleler doğru mu, yanlış mı?)*

Tonight our astronomy club is going to visit the observatory in Saklıkent, near Antalya. The sky is clear, so we are going to see a lot of bright stars. Saturn is going to be visible, too! I love learning about our solar system. Saturn is very far from the Earth. The distance is more than one billion kilometres. Our teacher, Mr Aydemir, is an expert. He thinks people will live on Mars one day. I'm not sure. Maybe robots will go there first. In the future, I'm going to be an astronaut and see the planets myself!
