C Reading: The Twins from Antalya

Read the text. Are the sentences true or false? *(Metni oku. Cümleler doğru mu, yanlış mı?)*

Hi, I’m Nehir and I live in Trabzon. Last summer my cousins Arda and Selin visited us from Antalya. They are twins, but they look very different. Arda is tall and slim. He has straight black hair and he wears glasses. Selin is medium height, and she has curly red hair and freckles.

Arda is quieter than his sister. He is a bit shy, but he is very clever; he solves maths puzzles in minutes. Selin is more outgoing than Arda. She talks to everyone at the beach and makes new friends easily. She is also generous: she shared her new paints with all the children in our street.

I think both of them are honest and polite. However, Selin is more forgetful than Arda. She lost her hat three times in one week!
