Read the text. Are the sentences true or false? *(Metni oku. Cümleler doğru mu, yanlış mı?)*

> My name is Ayaz and I am thirteen. I live in Bursa and I am in the archery team at my school. Our coach, Ms Gül, is a former champion, and she is very strict about safety. We practise in an indoor hall on Tuesdays and Thursdays, and on Saturdays we usually go to the park for outdoor training. I always check my equipment before I shoot: the bow, the arrows and my arm guard. Archery looks easy, but it isn't. You need a strong body and a calm mind. Last month we went to a tournament in Eskişehir. There were twelve teams. I didn't win a medal, but my friend Lara got silver. Our fans cheered loudly for her! Next spring I want to compete again and score more points.
