Read the text. Are the sentences true or false? *(Metni oku. Cümleler doğru mu, yanlış mı?)*

> In our house, the remote control is a big problem! My dad loves watching the news, and he never misses the weather forecast at 7.30 because he is a farmer. My mum enjoys cooking shows, but she can't stand reality shows; she says they are noisy and boring. My little brother Efe is crazy about cartoons. He watches them every morning before school.
> I prefer documentaries to sitcoms because they are informative. Last week I watched a great documentary about the Black Sea. On Sunday evenings, we all watch a quiz show together. The presenter asks difficult questions, and we try to answer before the contestants. My grandmother usually wins! Her favourite channel shows old Turkish films, but I'd rather read a book than watch a black-and-white film. — Zeynep
