C Reading: Golden Stones of Mardin

Read the blog post and choose the correct answer. *(Blog yazısını oku ve doğru cevabı seç.)*

Have you ever been to Mardin? I visited this ancient city with my family last spring, and it was unforgettable. Mardin is built on a hill, and its old stone houses look like a golden staircase. From our hotel’s terrace, the view of the Mesopotamian plain was breathtaking.
We went on a guided tour of the historical sites. We saw Zinciriye Madrasa and walked through the narrow streets of the bazaar. The streets were crowded during the day, but the evenings were peaceful. We also tried the local cuisine. I have eaten many kebabs in my life, but I have never tasted anything like Mardin’s kaburga dolması. I bought some handmade soap as souvenirs for my friends. I have travelled to many cities in Türkiye, but Mardin is my favourite destination so far. — Kuzey
