17. Last term, Hakan often felt tired and couldn’t concentrate in class. The reason was simple: he was playing online games until two o’clock at night. His older sister noticed the problem and offered to help. Together they made a new routine. Now Hakan puts his phone in the living room at ten o’clock and reads a book for twenty minutes before he sleeps. He also helps his sister prepare breakfast in the morning. After a few weeks, he started to feel much better. He has more energy in class, and his grades are improving.

Why did Hakan start feeling tired at school?

a) He went to bed very late.
b) He had too many lessons.
c) He didn’t like his class.
d) He walked to school.

18. Who helped Hakan change his routine?
