17. When Zeynep started university, she felt lonely and stressed. A friend suggested that she join the climbing club. At first, Zeynep was terrified of heights and could barely climb two metres on the indoor wall. However, the instructors were patient, and the other members encouraged her every week. After six months, she managed to reach the top of the wall for the first time. Today, two years later, she goes on outdoor climbing trips with the club and even helps new members. “Climbing taught me more than a sport,” she says. “It taught me how to deal with fear and how to trust other people.” She adds that her marks at university have also improved because she feels calmer and more focused.

Why did Zeynep join the climbing club?

a) She had always loved climbing.

b) She wanted to become an instructor.

c) She was feeling lonely and stressed.

d) Her marks at university were low.

e) Her family made her do it.
