17. Hi, I'm Toprak. Last summer, I went to an eco-camp near Bolu with my classmates. The camp was in a beautiful forest next to a lake. We learnt how to make compost from food waste. We also built bird houses and picked up rubbish around the lake. In the evenings, we looked at the stars and our guide told us about the planets. I learnt a lot. In the future, I will be an environmental engineer and protect nature.

Where was the eco-camp?

a) On a beach. b) In a desert.

c) In a forest near Bolu. d) In a city.

18. What did they make from food waste?
