Warm-up

- What time do you wake up?
- Are you fast or slow in the morning?
- What do you eat for breakfast?

Reading

Sammy is a sloth. He lives in a tall tree. Every day he does the same things, but very, very slowly.

He wakes up at ten o'clock. At eleven o'clock, he brushes his teeth. Brush… brush… brush… At twelve o'clock, he has breakfast – three green leaves. Munch… munch…

Sammy's friend Tiki is a parrot. Tiki does everything fast! She gets up at six, has breakfast at half past six and flies to school at seven. “Hurry up, Sammy!” says Tiki. “Why?” asks Sammy. “Slow is nice.”

In the evening, Tiki is very tired. Sammy isn't tired. He watches the stars. At nine o'clock, he goes to sleep. “Good night, Tiki. See you tomorrow… slowly!”
