- How many pencils have you got?

Reading

Let's play **Number Bingo**!

1. Draw a box with nine squares.
2. Choose nine numbers from 1 to 20. Write one number in each square.
3. Listen to your teacher. The teacher says: “Fourteen!”
4. Have you got 14? Colour it!
5. Three in a row? Shout “BINGO!”

Be careful! Thirteen (13) and thirty (30) sound similar. Fourteen (14) and forty (40) sound similar, too. Listen to the end of the word: thir-TEEN, four-TEEN.

Now count with me: one, two, three … twenty! Count back: twenty, nineteen, eighteen …
