Seviye A1 · Dinleme · Konuşma · Yazma

**Warm-up**

- Can you draw a funny monster?
- How many eyes has a monster got?
- What colour is your monster?

## Reading

Listen and draw! This is Zog, my monster.

Zog has got a big round body. It is purple with yellow spots. It has got three eyes and two small ears. It has got a very big mouth with four white teeth. It hasn't got a nose! Zog has got six short legs and two long arms. It has got a curly tail, too.

Zog is friendly. It likes pizza and dancing.

**Your turn:** Draw your own monster. Don't show it to your partner! Describe it. Your partner listens and draws. Then put the two pictures side by side. Are they the same?
