Seviye A1 · Konuşma · Dinleme

Warm-up

- When is your birthday?
- What month is it now?
- Which month do you like? Why?

Reading

Twelve months make one year. Clap and say the months chant!

January, February – snow on the hill,
March and April – the wind won't stay still,
May and June – sunny and bright,
July and August – the sea and a kite,
September, October – to school we go,
November, December – hats and scarves, hello!

Birthday Line-up game: Ask your friends: “When's your birthday?” Answer: “It's in March.” Now stand in a line from January to December. Speak only English! Is the line correct? Check together: “January birthdays, wave your hands!” “February birthdays, jump!”
