D Reading

5 × 4 = 20 puan

Read the text and write True (T) or False (F). *(Metni okuyun, doğru ya da yanlış olarak işaretleyin.)*

Many students believe that intelligence decides success, but research suggests that habits are just as important. Students who plan their week, take short breaks and test themselves usually remember more than students who only reread their notes. Another useful habit is teaching a topic to a friend: when you explain something, you notice what you don’t understand. Finally, sleep matters. The brain organizes new information while we sleep, so staying up all night before an exam is not a good idea.

1. The text says only intelligence decides success. ( )
2. Testing yourself helps you remember. ( )
3. Explaining a topic to a friend can show your gaps. ( )
4. Rereading notes is the best strategy. ( )
5. Sleep helps the brain organize information. ( )
