C Reading

4 × 4 = 16 puan

Read the text and answer the questions. *(Metni okuyun ve soruları cevaplayın.)*

> Every year, millions of tonnes of plastic go into the oceans. Sea animals like turtles and dolphins sometimes eat plastic bags because they think they are food. This is a big problem for our planet. But young people can help! Students at a secondary school in Mersin started a beach clean-up club last year. Every month, they collect rubbish from the beach near their school. Next summer, they are going to visit other schools and teach students about recycling. They believe the oceans will be cleaner in the future.

1. Why do some sea animals eat plastic bags?

a) They like the colour. b) They think the bags are food.

c) They are very hungry in winter. d) People give them the bags.

2. How often does the club clean the beach?

a) Every week b) Every year c) Every month d) Every day

3. What are the students going to do next summer?

a) Visit other schools b) Go on holiday c) Swim with dolphins d) Build a new school

4. What is the main idea of the text?

a) Turtles are dangerous animals. b) Young people can help to solve plastic pollution.

c) Beaches are always clean. d) Recycling is very difficult.
