Hi Lara,
How are you? I’m writing to tell you about my new school. It’s bigger than my old one and it has a great sports hall. Most of my classmates are friendly, and I sit next to a girl called Simge. We both love drawing! My favourite lesson is History, but Chemistry is really hard for me. Our Chemistry teacher, Mr. Uçar, is very patient and kind, so he explains everything again and again. I also have some big family news: my parents are going to have a baby in March! I hope it’s a girl.
Write soon,
Bade
