Yeşiltepe is a busy neighbourhood in the middle of the city, with very few green areas. Last month, the students of Yeşiltepe High School decided to change this. With the help of their teachers and parents, they built a small garden on the flat roof of their school. Now they grow tomatoes, peppers, lettuce and herbs like mint and basil. The vegetables will go to the school canteen, so students will eat fresh salads. The students are very proud of their work. Next year they are going to put solar panels on the roof to produce clean energy for the school.

1. What did the students of Yeşiltepe do last month?

   a) They planted trees.
   b) They built a garden on the school roof.
