C Reading

4 × 5 = 20 puan

Read the text and answer the questions. *(Metni okuyun ve soruları cevaplayın.)*

Kemal Bey is a seventy-year-old retired carpenter. When he was young, he used to make furniture by hand in his small workshop. Although he made very little money, he loved his job because every piece was unique. In the 1990s, large factories started producing cheap furniture, and his business became difficult. He had to close his workshop, and for a few years he worked as a security guard. Those were hard times for him. After he retired, however, his grandchildren encouraged him to share his skills online. Today he records short videos about woodworking, and thousands of people watch them every week. “I never imagined that my hobby would become popular again at my age,” he says.

1. Why did Kemal Bey love his job as a carpenter?

   a) It made him rich.
   b) He worked in a big factory.
   c) He had many employees.
   d) Each piece he made was different.
   e) It was easy to learn.

2. What caused problems for Kemal Bey’s business?

   a) A natural disaster
   b) Cheap furniture from factories
   c) An illness in his family
   d) A lack of wood
   e) His decision to retire

3. According to the text, Kemal Bey’s grandchildren ----.

   a) encouraged him to share his skills online
   b) bought his old workshop
   c) became carpenters
   d) worked as security guards
   e) record videos every day

4. It can be understood from Kemal Bey’s last words that he is ----.
