C City or village? 🏙️

Read the text. True or false? *(Metni oku. Doğru mu, yanlış mı?)*

> I live in İstanbul, but every summer I visit my grandparents' village near Kastamonu. The city is bigger, busier and noisier. There are more shops and buses. The village is smaller and quieter, and the air is cleaner. I think the village is more relaxing and much more fun than the city in summer!

1. Oğuz lives in a village now. ( )
2. The city is noisier than the village. ( )
3. The air in the village is cleaner. ( )
4. Oğuz thinks the village is more boring. ( )

D Compare the places 🏙️

Use the words in the box. *(Kutudaki kelimelerle boşlukları doldur.)*

worse • quieter • greener • more expensive
