Name: _____ Class: _____ Date: _____

A Our planet

Look and write. *(Resme bak, altına İngilizcesini yaz. ✏)*

ocean • trees • rivers • mountain • animals • flowers

_____

_____

_____

_____

_____

_____

B Weather and climate

Look and write. *(Havayı İngilizce yaz.)*

hot • cold

_____

_____

C Problems and solutions ♻

Match the problems with the solutions. *(Sorunu çözümüyle eşleştir.)*

1. There is too much plastic in the sea.	a) Plant trees.
2. The air in cities is dirty.	b) Recycle glass and paper.
3. We are losing our forests.	c) Turn off the tap.
4. We waste a lot of water.	d) Walk or ride a bike.
5. Rubbish fills the land.	e) Use cloth bags.

D Save the turtles 🐢

Read the text. True or false? *(Metni oku. Doğru mu, yanlış mı?)*

> Sea turtles lay their eggs on sandy beaches. When the babies come out, they walk to the sea. Bright lights near beaches confuse them, so they get lost. Plastic is another danger: turtles sometimes think plastic bags are jellyfish and eat them. We should keep beaches dark and clean to protect them.

1. Sea turtles lay their eggs on beaches. ( )
2. Bright lights help baby turtles. ( )
3. Some turtles eat plastic bags. ( )
4. We should leave rubbish on the beach. ( )

E should / shouldn’t 🐢
