> Menemen is a popular Turkish breakfast dish. It is easy and quick to make. Here is my family's recipe. You need two green peppers, three ripe tomatoes, three eggs, two tablespoons of olive oil, salt and black pepper. Some people add onions, too. First, wash the vegetables. Chop the peppers into small pieces. Then peel the tomatoes and grate them. Heat the oil in a pan and cook the peppers for about three minutes. Next, add the tomatoes and cook them for five minutes. After that, break the eggs into the pan and stir gently. Don't cook the eggs too much. Finally, add salt and pepper. Serve your menemen hot with fresh bread. Enjoy your meal!
