Read the text. Are the sentences true or false? *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

> The Mediterranean monk seal is one of the most endangered sea animals in the world. It lives in the Mediterranean Sea, and some of them live along the coasts of Turkey. Monk seals are about two and a half metres long and they can weigh 300 kilograms. They eat fish and octopus. They need quiet sea caves to rest and have babies. Today, there are only a few hundred of them. Noise, pollution and fishing nets are big dangers for them. If you see a monk seal on the beach, you mustn’t go near it or feed it.
