D Our TV survey

Read the text. Are the sentences true or false? *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

> Our class did a survey about TV habits. There are 28 students in our class. Twelve students watch TV for one or two hours a day, and six students watch more than three hours. Ten students hardly ever watch TV; they prefer watching videos on the internet. The most popular programmes are sports programmes and cartoons. Only four students like the news. Our teacher, Ms. Demir, was surprised because nobody chose documentaries. She suggested a nature documentary for the weekend.
