D Rights of the child

Read the text. Are the sentences true or false? *(Metni okuyun. Cümleler doğru mu, yanlış mı?)*

> In 1989, the United Nations adopted the Convention on the Rights of the Child, which is now one of the most widely accepted human rights agreements in history. It states that every person under the age of eighteen has the right to life, education, healthcare and protection from violence and exploitation. It also says that children have the right to play and rest, and to express their opinions on matters that affect them. Governments that sign the convention must report regularly on how they are protecting these rights. However, millions of children around the world still cannot go to school or are forced to work.

1. The convention was adopted in 1989. ( )
2. It covers people under the age of twenty-one. ( )
3. The right to play is included in the convention. ( )
4. Governments never have to report on their progress. ( )
